Commencement Date:

Completion Date:

Duration of Work:

### Period of Hacking Works:

### Type of Noisy Works:

ALL WORKS MUST COMPLETE BY 6PM SHARP. NO WORK ON HOLIDAYS, SATURDAYS AND SUNDAYS.

Electrical / Electrical modification works

As required under the Electricity Act (Cap. 89A) and Electricity (Electrical Installation) Regulations, all condominium home owners / shop owners who will be carrying out electrical works (including electrical modification works) during the renovation are required to:-

- (I) apply electrical testing to SP Services Ltd or engage Licensed Electrical Worker (LEW) of the MCST to do the testing ; and
- (II) to submit the Certification of Completion (COC) that is duly endorsed and signed by SP Services or the said LEW for record purpose.

LEW: Idelux Engineering Pte Ltd. Tel 6897-7886. Email: idelux@singnet.com.sg

Any subsidiary proprietor who fails to comply with the above will be prosecuted under the constitutional law of Singapore.

I / We agree to the following;

- 1) pay the required deposit and / or administrative fee (non-refundable) as stated below;
- 2) indemnify the Management against :
  - the cost of making good damage to common property and removal of debris left on common property.
  - Any legal proceedings or suits arising from such works regardless of whether or not it has risen from the negligence of the owner, contractor or any of their servants or agents.

We acknowledge that notwithstanding any approval granted by the MCST for the stipulated renovation to be carried out, it is still our responsibility to seek relevant professional advice as well as to obtain relevant statutory authorities' approval before carrying out the renovation. We will undertake to provide full and total protection of the common property, lift, panel, floor and lobbies with canvas padding when transporting materials, etc...

Deposit Required: \$2,000. Crossed cheque payable to MCST 2544.
